2017 Annual Report

Introduction

The Refugio County Appraisal District is a political subdivision of the state. The Constitution of the State of Texas, the Texas Property Tax Code, and the Rules of the Texas Comptroller's Property Tax Assistance Division govern the operations of the appraisal district.

Mission

The mission of Refugio County Appraisal District is to discover, list and appraise property as accurately, ethically and impartially as possible in order to estimate the market value of all property within the boundaries of the district for ad valorem tax purposes. The district must make sure that each taxpayer is given the same consideration, information and assistance as the next. This will be done by administering the laws under the property tax system and operating under the standards of:

- The Property Tax Assistance Division of the Texas State Comptroller's Office (PTAD)
- The International Association of Assessing Officers (IAAO)
- The Uniform Standards of Professional Appraisal Practice (USPAP)

Governance

The appraisal district is governed by a **Board of Directors** whose primary responsibilities are to:

- Appointing the chief appraiser
- Contracting with other appraisal offices, taxing units or private firms to perform appraisal functions;
- Adopting annual budgets for the operation of the appraisal district
- Determining a method of financing the annual budget based on cost allocation among taxing units;
- Purchasing or leasing real property, as well as constructing improvements to establish the appraisal district office
- Ensuring preparation of annual audits by certified public accountants;
- Selecting a financial institution to deposit funds through bid solicitations;
- Entering contracts for appraisal functions, all for all expenditures, comply with the competitive bidding requirements established by law;
- Being a necessary party to lawsuits brought by property owners concerning appraisals;
- Approving the appointment of the Agricultural Advisory Board
- Appointing the members of the Appraisal Review Board and increasing the size of said board's membership when necessary;
- Develop a biennial written reappraisal plan for the district's appraisal activities
- Administering the district office in any other manner required by law.

To be eligible to serve on the board of directors, a person must have resided within the boundaries of the county for at least two years prior to their appointment. Their terms are not staggered. There are no legal limits to the number of terms a board member can serve.

The **Chief Appraiser** is the chief administrator of the appraisal district and is appointed by the board of directors. The chief appraiser must be licensed (or actively working toward licensing) as a Registered Professional Appraiser (RPA) through the Texas Department of Licensing.

Members of the **Appraisal Review Board** are appointed by the Board of Directors. ARB members serve two year staggered terms. They are limited by law to serving three consecutive 2 year terms. They must be certified by the Texas Comptroller. Their responsibility is to settle value disputes between the taxpayer and the chief appraiser. Their decisions regarding value are binding to the chief appraiser for the tax years protested.

The **Ag Advisory Board** is appointed by the Board of Directors at the recommendation of the chief appraiser to aide him/her in determining typical practices and standards for agricultural activities in the district. They serve at the will of the Board of Directors.

Legislative Changes

There were several legislative changes to the Property Tax Code during 2017 that affected the appraisal district's operations for 2017. Most laws passed during the 2017 legislative session will have an effect on the 2018 appraisal records. For a complete summary of these changes affecting the appraisal district operations, please refer to the following link:

 ** Statistical measures may not be reliable when the sample is small

Based upon the Mass Appraisal Standards adopted by the International Association of Assessing Officers, the above statistics indicate that the district's mass appraisal system is accurately and uniformly appraising property.

Property Discovery

The district aggressively seeks to discover all newly constructed or added property each year through examination of:

- City/County building permits
- Filed Material/Mechanic's Liens
- Mobile home installation reports
- Septic tank permits
- Electric connection reports
- Advertisements
- Railroad Commission Reports (oil/gas)
- Field discovery
- Public "word of mouth"

Utilizing these discovery tools, a total market value of \$6,185,980 was added to the appraisal roll for 2017.

Exemption Data

Property owners may qualify for a variety of exemptions as provided by the Texas Constitution. Some of the most commonly occurring exemptions are described below. Other less commonly occurring exemptions are available and described in the Texas Property Tax Code, Chapter 11.

Residential Homestead

The following chart represents the total exemption amounts available to homeowners who qualify for this exemption on homesites with a maximum of 20 acres:

Jurisdiction	General	Over 65	Disability	100% Disabled Veteran	Over 55 Surviving Spouse
Refugio County	20% (5,000 min)	65,000	65,000	100%	65,000
Austwell City		3,000		100%	3,000
Bayside City		6,000		100%	6,000
Refugio City		62,000	62,000	100%	62,000
Woodsboro City		3,000		100%	3,000
Woodsboro ISD	25,000	10,000	10,000	100%	10,000
Austwell/Tivoli ISD	25,000 + 20% (5,000 min)	10,000	10,000	100%	10,000
Refugio ISD	25,000	10,000	10,000	100%	10,000
Memorial Hospital	20% (5,000 min)	10,000	10,000	100%	10,000
WCID #1				100%	
WCID #2	20% (5,000 min)	10,000	10,000	100%	10,000
Drainage Dist. #1	20% (5,000 min)	10,000	10,000	100%	10,000
Grndwtr Cons. Dist	20% (5,000 min)	10,000	10,000	100%	10,000

For school tax purposes, the over 65, disability, surviving spouse, and 100% disabled veteran residential homestead exemptions create a tax ceiling prohibiting increased taxes on the homestead on *existing buildings*. (Any new areas added to the homesite will cause the ceiling to be readjusted and set in the subsequent tax year.)

Although Texas law allows it, none of the other taxing jurisdictions have adopted tax ceilings for over 65 or disabled homeowners.

All homeowners who qualify for the residential homestead exemption are subject to the placement of a **homestead cap** on their qualifying property which prohibits the increase of taxable value on the homestead property to ten percent per year. However, the market value may still be reflective of the local real estate market.

Disabled Veterans

In addition to the residential homestead exemption allowable to disabled veterans with a 100% service connected disability (as described above), disabled veterans are allowed a general exemption on any property they own based upon the percentage rating as determined by the Department of Veteran's Affairs. Current exemptions amounts, as based upon these ratings, are:

Percentage Disability	Exemption Amount
10-29%	5,000
30-49%	7,500
50-69%	10,000
70-100%	12,000

- A DISABLED VETERAN WHO MEETS THE 100% DISABILITY REQUIREMENTS ACCORDING TO HB3613 WILL BE EXEMPT FROM ALL PROPERTY TAXES ON THEIR HOMESTEAD
- WIDOW(ER) WHOSE SPOUSE DIED WHILE IN ACTIVE DUTY IS ALLOWED 100% EXEMPTION FROM ALL PROPERTY TAXES ON THEIR HOMESTEAD IF NOT REMARRIED
- ANY DISABLED VETERAN WHO IS 65 OR OVER IS ENTITLED TO A FULL \$12,000 EXEMPTION
- ANY DISABLED VETERAN WITH LOSS OF LIMBS, LOSS OF SIGHT OR PARAPLEGIC IS ALLOWED A FULL \$12,000 EXEMPTION

Other Exemptions

Other commonly occurring exemptions are:

- Cemetery Exemptions
- Religious Organizations
- Primarily Charitable Organizations
- Veteran's Organizations

Other less frequently occurring exemptions are allowable and described in Chapter 11, Property Tax Code.
